

Estate™ Collection

Bright Brass

Antique Brass

Polished Chrome

Brushed Chrome

Satin Nickel

Distressed Nickel

Oil Rubbed Bronze

Distressed Bronze

Hardware Finishes

The Estate™ Collection of hardware offers you a selection of eight distinctive metal finishes.

Available on all window styles, Estate hardware is forged from solid brass, not stamped, to withstand the test of time.*

- Brass, nickel and chrome finishes feature a special coating that seals the desired finish, providing tarnish and corrosion protection for years to come.*
- Bronze hardware has a “living” finish where the patina grows more beautiful over time.

Polished Chrome

Brushed Chrome

Make a beautiful window **extraordinary.**

Let your creativity soar...

With eight Estate™ Collection hardware finishes (plus standard white, canvas, or stone hardware) to choose from, our wide selection of window colors and grille styles allows you to express your creativity and customize your new windows.

Enhance.

Use hardware to enhance the beauty of any room. Match other finishes in your home—such as choosing brushed chrome for the kitchen and antique brass in the living room.

Design.

Don't just replace your windows, make them better. With so many design options, you can create the windows you've always wanted with the design features that are right for you and your home.
